

HARNESSING THE WIND

Pastor Steven L. Shelley · November 19, 2000

While we were worshiping the Lord, I was seeing a windmill turning. And I couldn't understand what I was seeing. I just kept seeing this big windmill like we've seen traveling in Holland. But I could just see it turning, turning, turning.

And the Lord said, "Many, many, many times I've blown over this place with the winds of My Spirit. Many, many times I've blown over this place with the winds of renewal and the winds of revival." But the Lord said, "I'm getting ready to cause you to be like a windmill, and you're going to catch the wind."

The Lord said, "I'm going to give you, by My Spirit, the wisdom and the knowledge as a people, to harness the wind." And the Lord, "By harnessing and by capturing the wind, you're going to see the purposes of the winds of My Spirit. They're not just to bless you. They're not just to make you feel good."

But the Lord said, "I'm going to give you My wisdom, even as a windmill catches the wind, and it produces power," the Lord said, "I'm going to give you the wisdom to capture the wind of My Spirit and the winds of revival. And you're going to capture them even like the windmill." And

the Lord said, “By the blowing and the turning of the windmill, you’re going to produce the power. It’s not your power, but it’s going to be My Power.”

And the Lord said, “Not one wind of My Spirit, not one touch of My hand is going to go in vain, or is going to be wasted, because I’m going to teach you how to utilize the refreshing Spirit that I’m sending this way. And it’s not going to be wind just blowing all about in chaos.” But the Lord said, “It’s going to be wind with a purpose. The winds of revival are going to blow with a purpose. And I’m going to let you catch them (hallelujah) and harness them, so that something great can be accomplished in My Kingdom,” says the Lord. Hallelujah.
