

# SPIRITUAL RESTORATION

*Pastor Steven L. Shelley · July 30, 2000*

I see visions breaking all around me now in the Spirit. Odd things I'm seeing. And one of the things I'm seeing is, I'm seeing the restoration of a foot, and I'm seeing the restoration of a hand, even a member that has been severed from the body.

But you know, the first thing they do is, try to get it back and they try to suture it on, to sew it on, hoping that the blood will flow. They even have to suture the blood vessels. And if they can get the blood to flow properly through that foot, even though it has been severed from the body for some time, maybe it's kept in ice or whatever. You know how these things work.

But I see these missing limbs coming back to the body. That's how I see the body. And I see areas of the body where there has been no circulation. The blood has not been flowing properly.

But I see God restoring proper circulation to this spiritual Body. And I see a numbness and paralysis in the Body being healed. And it's spiritual right now. I see the restoration of cells that have been damaged by sin, by unrighteousness. But I see a regeneration taking place in this spiritual

Body. And it began to happen quickly. Just little things breaking all about me.
