

THE ARROW OF THE LORD

Pastor Steven L. Shelley · March 8, 2003

Jerusalem, Israel

I had a vision earlier in the service. I saw in the Spirit an arrow being shot forth from a bow. And I saw the enemy raising up hindrances and obstacles to come between the arrow and the target.

One time it looked like a mountain. One time it looked like a tree. The third time, I couldn't even see clearly what it was. But I saw that three times the enemy was raising up an obstacle to come between the arrow and the target. But every time an obstacle would be raised up, the arrow had a mind of its own.

And that arrow would go around the diversion, go around the obstacle. Hallelujah. And just before the vision broke, I saw the arrow hitting the bull's eye of the target. And I believe that's the Word of the Lord going forth from Jerusalem. And I believe the Lord is saying that no matter what comes in the way of the Word of God to divert it, to dilute it, to hinder it, that the Word shall accomplish that that it is sent forth to do, and nothing can stop it.

And I heard the Word of the Lord say, “The closer you get to the source of the water, the clearer and the purer it is.”
