

BREAKTHROUGH GLORY

Pastor Steven L. Shelley · July 9, 2006

As I was laying in the bed this morning at five o'clock, couldn't go back to sleep, the purposes of God were once again rolling over me from the top of my head to the soles of my feet. And I said, "If this is really the hour that the breakthrough Glory is going to be poured out upon us, then show me how it comes."

And I saw it like a river rushing down a mountain. And that river was carrying away everything in its path. I saw trees that were tall, huge, gigantic-looking trees. And I saw the roots were almost as deep, long as the trunks of the trees. And this water came from the top of the mountain, came rushing down like this, not in a straight path, but came rushing down as though it was making a bed for itself.

And I saw it moving boulders, huge boulders, out of the way. And it was plucking these trees up, like I'm pulling little... I'm always pulling these little weeds out of my flower garden in the back yard. And it was no more than pulling up those little clover weeds that get in the flower bed. But it was huge trees that were being plucked up. I heard the suction sound, a whoof kind of sound coming as the water was plucking those

trees up. And I saw the roots stuck straight up in the air. And they were being carried away by the river.

I just said, “Lord, if this is for us, if this is the hour of breakthrough Glory among us, show me how it will come.” And that’s how He showed it to me. It literally moved everything out of its way. Hallelujah.

I saw it, a river just flowing down so strong and so straight from the Presence of God, that it just moved everything out of the way.

Anybody got anything that you’d like to see pushed out of the way by the River of God’s Spirit? Circumstances. Situations. Hindrances. Maybe there’s a part of you. Maybe there’s still a part of you that you’d like to see carried away in the Glory, pushed out of the way. Hallelujah.

Well, I believe it’s ordered of God for you. I believe it’s already ordered. I believed the order is turned in. I’d like to tell you that because God is sovereign you won’t have to do anything at all, but there is something that’s required of us. It’s required of us that we position ourselves, that we line ourselves up with the Word of the Lord, so that we can receive it.
