

# OPPORTUNITY, ABILITY, & PROVISION

*Pastor Steven L. Shelley · January 26, 2003*

I saw that on the first door was written the word, “opportunity.” And on the second door was written the word, “ability.” And on the third door was written the word, “provision.” And I was trying to see how these words related.

When we’re willing to step through the door of opportunity that God opens up for us, whether it’s a door of ministry or whether it’s even doors that concern our natural life... If we’re obedient to step into that door and climb, not try to stay on the level that we’ve been in, but hear the voice of the Spirit...

As Brother said tonight, “Hear the voice of the Spirit when it calls, ‘come up higher.’” That deep calling to the deep. Surely every person that loves the Lord is feeling that tugging at your heart to be more for God. It just seems like everybody is experiencing that.

Then the second door I saw was ability. Which leads me to believe if you’ll step through the door of opportunity and climb, you’ll come to the place where God will give you the ability to do what He’s called you to do. Is that alright?

And then when we get the ability, the talent, the gifting of God operating in our life and climb in those abilities and those anointings, I saw that God would give the provision. And I claim that provision tonight for the work of the Lord here and I claim that provision for the work of the Lord in Jerusalem. That God will cause us to be faithful to step through every God ordained door of opportunity and that He will give us the great abilities of the Spirit to do what He'd have us to do and that He will open the doors of provision. Hallelujah.
