

# REVIVAL IN HAWAII

*Pastor Steven L. Shelley · March 18, 2006*

I just saw God pouring out His Glory on the islands of Hawaii. I just saw a revival breaking forth in the islands of Hawaii, just like we've been seeing in the news the floods, the rain. They've been having such rain and such floods. And I saw on the news how that the rain just washed away the earth banks and the earth dams, and was just flooding more than one of the islands.

And as soon as that happened I had a little word in my heart that God was going to do something. But He just confirmed it. We've been getting strange little e-mails from the island of Hawaii, where someone is just posting prayer requests, sometimes two or three a day, and sending them to our ministry. And I've been praying over every one of them.

I just felt a divine connection being made for our fiftieth state. Hallelujah. And we're not only believing God for that, we're going to ask the Lord to let us hear about it and know about it, and let it be confirmed and let us know that it's Your Word, Lord.

Let it be a revival of Truth, hallelujah, where the Spirit and the Truth are married together to bring forth sons of God. Oh yes. Hallelujah. If we had a ukulele, we'd play it. Praise God.
