

THE PROBLEM IS A HEART PROBLEM

Pastor Steven L. Shelley · October 15, 2006

Jerusalem, Israel

I received something from the Lord in the night last night. And He spoke to me and said, “It’s a heart problem.”

I was praying, “Lord, what is the problem? What is this situation all about? What’s going on? I need a Word from You. I need You to help me.”

And I saw in the Spirit a surgeon. And he was standing with a white coat on and a white hat, white cap sort of thing over his head like the surgeons would wear. And he had on like the blue scrubs and the shoe covers that they wear.

And He had an instrument in one hand and something else in the other hand. I couldn’t see what was in the other hand, but a sharp instrument in the right hand.

And I said, “Lord, what kind of doctor is this?”

And the Lord said, “It’s a heart surgeon. Because the problem is a heart problem.” I believe the Lord wants to deal with us.
